

FOUNDATIONAL AWARDS

The Bouchier Foundational Awards were introduced in 2024 to honor employees who embody the company's core values, inspired by the seven sacred Indigenous teachings. Seven individuals received awards symbolizing respect, honesty, humility, truth, wisdom, courage, and love.

CRAIG WEBB HUMILITY | WOLF

At Bouchier, there are those whose impact is felt through quiet dedication, and Craig Webb is a prime example. A dedicated member of the Asset Management team, Craig was recently recognized with the 2024 Foundational Award for Humility, symbolized by the wolf in the Seven Sacred Teachings.

Humility is about serving others without expecting recognition, and Craig embodies this every day. Whether he's clearing snow to ensure safe walkways, operating light equipment, or helping out the maintenance teams, he does it all without seeking attention. Often completing his work without fanfare, but it does not go unnoticed. "Craig has an exceptional work ethic and diligence in every task he performs." says Anniken Richard, Director, "His attention to detail lends to a quality that is seldom matched and Craig's humble nature rarely has him in the limelight seeking accolades."

Craig's commitment goes beyond his regular duties. From assisting with office moves to representing his department on the PAIR committee,

he's always willing to help wherever needed. He arrives early to open gates and clear paths, ensuring the safety of everyone, even in harsh winter conditions. These small yet vital tasks keep our workplace running smoothly.

What stands out most about Craig is that he never seeks recognition. He simply does what needs to be done, leading by example with humility and kindness. Craig's contributions are invaluable, and we're proud to celebrate his well-earned 2024 Foundational Award for Humility. Your quiet dedication makes a lasting difference, Craig, and you are truly appreciated.
